

Entry Requirements for International Applicants

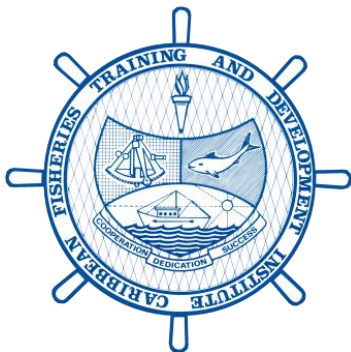

This information is required for every entry into Trinidad and Tobago to undergo training at Caribbean Fisheries Training and Development Institute (CFTDI).

Applicants will need to provide the following information.

Checklist:

- Applicants name
- Intended Course at the CFTDI
- Date and Duration of Course*
- Date of Birth
- Country of Birth
- Country of Citizenship/Residence
- Passport Number
- Home/Mailing Address
- Financial Statement as proof of ability to meet the cost of training
- Intended address and Telephone contact number while in Trinidad and Tobago**

International Applicants will be required to arrive in Trinidad and Tobago at least two to three days in advance of the start of the training course. This is required to register and to make payments towards the intended training course, accommodations** and meals.
